Gta iv lcpdfr how to install

the Option to run the file after it is downloaded to your computer. The LCPD mod wizard is displayed on the screen. Follow the instructions on the screen to install the LCPD mod on your computer. The Setup Wizard requires you to move to the folder where GTA IV is stored on your computer. If you use Steam, search gta iv steam apps folder program files. If you use Windows without Steam, search gta iv rockstar files folder program files. 6 Run GTA IV on your computer after the mod file is installed. 7 Press Alt + P after game loads to get on-screen instructions that will guide you to the nearest police station. 8 Walk or drive to the nearest red checkpoint. The game will deposit your character on the front doors of the police station. 9 Walk straight to the door marked LCPD to formally report as a police officer. 10 Follow the on-screen prompts to choose what type of cop you want to be. 11 Leave the conference room and enter the left-to-first door. 12 Choose your partner and take health packs and armor if you like. 13 Leave the police building and select a police car. Now you are an official member of the LCPD. [2] Add a new question to the question Are there any different types of police cars to choose from? Yes. This depends largely on what you can access within lcpdfr. This specifically allows you to be a cop, so there are always different types to choose from.
